Methods and Directions

PAN FRIED LANGOUSTINE

Chicken Liver-Foie Gras Sauce

- Bring up all the ingredients to room temperature.
- Melt the butter and set aside.
- Slice and cook the shallot in oil, add the thyme and the crushed garlic. Reduce it with Port-Madeira-Cognac mix.
- Place all ingredients in Robot-Coupe; add the colour salt at the end.

- Once done, melt it slowly in a pan with a few spoons of brown chicken stock. Control the seasoning at the end.

Green Pea-Chamomile Foam

- Juice half a kilo of green pea, warm it up very gently until it reaches 65C.
- Add the chamomile; infuse for at least 1 hour.
- Sieve, then mix it with olive oil and the whole egg. Add salt and pepper.
- Pour the mix into an espuma gun. Use two espuma chargers.
- Shake it up properly, keep it warm.

Rye Bread Crumb

- Blend rye bread with sugar and then toast it under the salamander until it's crunchy.
