## **Methods and Directions**

### **BERRY SENSATION COCKTAIL**

#### **Berry Tea Cocktail**

- For the berry tea, use 2 tea bags for 120ml of water and brew for 3 minutes at 100C.
- Place the raspberries in the glass, spray with and sprinkle with castor sugar.
- Brûlée the raspberries to caramelize and intensify the berry flavour.
- Mix the remaining ingredients together, shake and double strain.

### **Blueberry Caviar**

- Mix the Algin with blueberry juice then add the tea.
- Dissolve calcic in water with a stick blender.
- Fill a syringe with blueberry juice and drip into calcic mix.
- Strain into cold water.

### **Strawberry Caviar**

- Mix the Algin with strawberry juice then add the tea.
- Dissolve calcic in water with a stick blender.
- Fill a syringe with strawberry juice and drip into calcic mix.
- Strain into cold water.

### **Raspberry Caviar**

- Mix the Algin with raspberry juice then add the tea.
- Dissolve calcic in water with a stick blender.
- Fill a syringe with raspberry juice and drip into calcic mix.
- Strain into cold water.

### **Champagne Air**

- Place all ingredients together and blend with a stick blender.
- Aerate the liquid with a fish pump.
