Methods and Directions

MILLE FEUILLES AND TEA

Kouign-Amann Dough

- In a bowl with attached hook, knead the dough for 6 minutes at low speed.
- Keep the dough in a square shape and in the fridge for 2 hours.
- Give two simple turns by incorporating the softened butter and let it stand for about 1 hour in the fridge.
- Give two new single laps and incorporate the mixture of the two sugars.
- Roll out the dough then cut into thin slices; cook the slices in a Panini maker to obtain a perfect caramelisation.

Nuwara Eliya Mandarin Cream

- Mix the eggs, sugar, lemon zest, tangerine juice, Nuwara Eliya tea and tangerine concentrate.
- Poach in a water bath until 84°C. Cool down to 60°C, add the butter and whisk.
- Mix with a hand mixer for 10 minutes. Keep the mixture for 24 hours before use. Whisk with the mascarpone and tangerine cream.

Nuwara Eliya Tea Jelly

- In a saucepan, heat the mandarin juice with sugar. Remove from the heat, add in the tea and gelatin previously rehydrated in cold water. Refrigerate until it is completely set.
